

MERCY HEALTH CENTER  
**2019 Annual Report**

---

## MESSAGE FROM THE DIRECTOR

---

Dear Shareholders:

2019 was a year of growth and opportunities. I completed my first year at Mercy and I cannot express how blessed I am to be part of such a spirit filled organization. In 2019 we provided over \$3,000,000 in medication to our patients who otherwise would not have the means. Our partnerships with UGA, including Med/Legal, Public Health, Counseling and Social Work, are still growing and going strong, enabling Mercy to offer much needed education and social services to our patient populations free of charge.

Our dedicated staff and over 700 volunteers provided 11,447 whole person care appointments, in a Christ-centered environment. We gain our strength from our partnerships in the community, volunteers and donors who give of their time, resources and talent in support of our Mission. "Through a community of volunteers, Mercy provides quality whole person health care, in a Christ-centered environment to our underserved neighbors."

I have seen lives changed here at Mercy both through patients as well as staff and volunteers. Through Mercy there is hope for a better tomorrow. We humbly partner with our patients toward a journey for better health.

Through Mercy moves eternal hope, and Mercy moves through me.

With heartfelt gratitude  
Michele Johnson, MHA, RRT  
Executive Director

## ABOUT MERCY HEALTH

---

**19** YEARS OF SERVING  
THE COMMUNITY

**700+** VOLUNTEERS

**9** PART-TIME STAFF

**12** FULL-TIME STAFF

In fall of 1999, a group of individuals were brought together with the same goal and passion. These individuals wanted to create a space that would minister to the low-income and uninsured residents of Athens, Georgia. This dream eventually became a reality.

On September 10, 2001 Mercy Health Center opened their doors and began providing services from the back of a church. As patient numbers grew, Mercy was able to move into their own space in 2007.

Since then, Mercy has provided care to low income and un-insured residents in Clarke, Barrow, Jackson, Madison, Oglethorpe and Oconee counties. Mercy continues to provide quality care, while also seeking opportunities to minister to the eternally important spiritual needs of individuals.

---

## CLINIC STATISTICS

---
